I have known not come, and the daisies wait lovingly for rest of the company; marched to Camp Jack. aves, and two New York and two New Jerthem to lose their will-to become the mere their feet, yet, if you knew the truth, you son, Ohio, drilled there several days, when sey regiments, were ordered at a late hour will bring the war to an end sooner. Better to the North is given to issue that when the North is given to issue their dependent mistresses of their husbands—to would see that they sit discontentedly among she was sent with the 3d. Ohio regiment to Thursday night to have their guns loaded, that the North is given to isms; that when be creeping cravens in dwellings where it the homeliest surroundings of domestic life, Camp Dennison, near Cincinnati. Here she and hold themselves ready to march at a one gives out another succeeds. We have should be their privilege to move as radiant with their sleeves rolled up—confound assisted in all the duties of forming a new should be their privilege to move as radiant with their sleeves rolled up—confound assisted in all the duties of forming a new should be their privilege to move as radiant with their sleeves rolled up—confound assisted in all the duties of forming a new should be their privilege to move as radiant with their sleeves rolled up—confound assisted in all the duties of forming a new should be their privilege to move as radiant with their sleeves rolled up—confound assisted in all the duties of forming a new should be their privilege to move as radiant with their sleeves rolled up—confound assisted in all the duties of forming a new should be their privilege to move as radiant with their sleeves rolled up—confound assisted in all the duties of forming a new should be their privilege to move as radiant with their sleeves rolled up—confound assisted in all the duties of forming a new should be their privilege to move as radiant with their sleeves. I have known them thrown back them!

until Saturday last, when, ascertaining for the first time that there are two Camp Dennisons, and that while she was in one, her lover was in the other, in Lancaster, Pa., she went to Col Morrow and requested to be changed from the company she was in, giving as a reason that she preferred to associate with Americans, and her company was composed of Irishmen. Her real design was when her request should be granted, to choose a place in one of the companies of the 2d regiment, not knowing that it would be imanother. Col Morrow discovered the secret of her sex. Marshal Thompson supplied her with apparel more appropriate to her sex. released .- Cin. Gazette.

Demanded for the Officers.

WASHINGTON, May 22. The secretary of war has sent a circular to the governors of the different states giving the plan of organiakin to that of the miser who knows he is vice by the president. He says that all regicircumscribed habits have a tendency to the chief, that no person of doubtful morals or patriotism or unsound health shall be commissioned, and to appoint no lieutenant over nel, unless a graduate of the United States Yet these asses are so unconscious of their rels that should be exposed and discussed. Military Academy, or known to possess probably, not one of them who reads this will it may possibly be piety. "For dum squizzle knowledge and experience who has passed read permanence," said an editor, correcting the respective ages of 35, 40 and 45 years of a typographical error that had found its way age. The secretary also says the higher the moral character and general intelligence of The most precious possession that ever as that "permanerse" should be mistaken for the officers appointed, the greater the efficien-
